

Civil Engineering Department

Play with drawing:

- **Description:** Play with drawing is the civil engineering drawing competition in which individual participant can be participate. **This competition is held in 2 rounds.**
- **Round 1):** It is the elimination round. Participant have to draw the plan on sheet in given area with fulfilling all the requirements. Participant must be draw developed plan within given time to reach the 2nd round.
- **Round 2):** Participant have to draw the plan on AutoCAD software which already drawn on sheet. Also participant have to draw the 3d elevation on AutoCAD 3D software.
Participant must be full fill all requirements while designing the elevation.

Rules:

- Round 1): Participants will be given **45 minutes** time. All participants have to draw plan on given area. Plan will be satisfied all functional requirements. The selected participants will reach next round.
- Round 2): Selected participants have to draw the plan on **AutoCAD**. Also participants have to draw the **3d elevation** on the AutoCAD software. For this participant will be given **1hr 15 minutes** time. The best plan and elevation will be declare as winner of competition.

Total Participants Entries: 50

Time duration of the competition: 10am to 12:30pm

Entry Fees: 50Rs

CQ's Competition

- **Description:** CQ's is the civil engineering quiz competition which is based on the aptitude and technical knowledge based quiz. This quiz competition test the knowledge of participants. This is Team event in which each Team will allow minimum 2 and maximum 4 members. The competition is held in 2 rounds.

Round 1): On Paper quiz:

Teams will be provided the Questionnaires which consist the general knowledge civil engineering related questions. Teams must answer the questions within a time. Selected Teams will qualifies for the next round.

Round 2): Buzzer Round:

For selected teams 1 common question is asked. The team which able to answer should play the buzzer and chance to answer the question.

- **Rules:**

Round 1): For this round teams will be given **45 minutes to solve the 55 questions.**

To reach the next round teams must be choose the maximum correct answers of providing questionnaire. Each group will be provide the questionnaire form the organizers. **Teams which reaches the cut off will eligible for the Final Round.**

Round 2): Selected teams will be provide Buzzers on Desk. Same questions will be ask to all teams. **To answer the questions it is mandatory to play buzzer.** The team which play the buzzer first will give to chance the answer the question. The team which gives the maximum answers will declare as Winner.

Total Participants Entries: 25 Teams

Time duration of the competition: 1pm to 3pm

Entry Fees: 100Rs
